STORING OF PACKAGES,PACKING MATERIALS AND REFRIGERATED GOODS
GENERAL CONDITIONS

- 1) Acceptance of goods for storage depend on the availability of the warehouse space.
- 2) The handling of goods that are not properly packaged and / or protected releases the handler and Fiere Di Parma from any damage.
- 3) It will not be deposited any goods not properly packaged and / or protected. In particular, they will not be able to deposit loose and / or fragile goods.
- 4) It is the right of the depositary to carry out content checks provided that the deposit of inflammable, corrosive, toxic, explosive and / or in any case dangerous substances remains strictly prohibited.
- 5) The storage, partial or total withdrawal of goods can be carried out only in the opening hours of the Fairground as governed in the Technical Regulations of the Exhibition.
- 6) The handling company has the right to exercise the right of retention of the goods if the amounts are not completely paid as established by the invoice.
- 7) If the goods in storage at the warehouse of the official handler should not be not collected at the agreed deadline, the depositary will automatically remove them (including destruction), charging the costs to the Exhibitor.
- 8) Goods arriving by courier must be provided with a delivery note for goods in transit in which the same legal person as the sender appears under the recipient entry with the following specification: "Exhibitor at the **SPS ITALIA 2023** event which takes place at the Exhibition Center of Parma from **23 to 25 May 2023**. The fair will therefore not proceed with the withdrawal of the delivery note which will be applied directly to the packages received.
- 9) Packages that pass through the warehouse are kept up to the maximum limit of 5 days after the end of the Exhibition, after this date a daily fee for storage of 8.00 cubic meters/day will be applied.
- 10) We inform you that, in addition to the cost of storing packages / packaging, for the collection/delivery at the same pavilion, € 75.00 + VAT will be charged for every 5 cubic meters of stored goods.

The activation of the refrigerated product storage service is active only for some events. Office Operations for further information.

GOODS HANDLING SERVICES

GENERAL CONDITIONS

1. This form has an informative function in order to allow the goods handler to prepare the tools necessary for the best service.

The service manager will be entitled to change the time you requested in the form in order to program loading / unloading slots based on the reservations and / or logistics of the district, giving notice and evidence to the customer.

2. Any requests that arrive during the set-up and dismantling phases directly at the Fair will be processed only after having completed all the previous bookings and compatibly with the availability of men and vehicles and a 30% surcharge will be applied.

The actual activation of the booked service must in any case be requested on site directly from the handler.

3. For the handling of the disassembly phase, as an advance on the services, an amount equal to 80% of the movements performed during the assembly phase will be charged. At the end of the event, any excess and / or balance will be charged.

N.B.: THE HANDLING OF GOODS AND MATERIALS NOT PROPERLY PACKED IS COMPLETELY AT THE RISK OF THE APPLICANT, WHICH WILL ALSO MUST PROVIDE ALL THE EQUIPMENT SUITABLE FOR USE OF THE LIFTING MEANS (EX: ROPES, CHAINS, BANDS)

PHONE RESERVATIONS ARE NOT ACCEPTED
